MEMORANDUM OF UNDERSTANDING (MoU)

Between

Techsharthi Consultancy Services India LLP
And
Government Polytechnic Katihar, Bihar

1. Parties to the Agreement

This Memorandum of Understanding (MoU) is entered into on this ___ day of 18-04-, 2026, between:

Techsharthi, a training and technology organization specializing in cloud computing, AI/ML, and software development (hereinafter referred to as "Techsharthi"),

AND

Government Polytechnic Katihar, an educational institution located in Katihar, Bihar (hereinafter referred to as "the College").

2. Purpose

This MoU aims to establish a collaborative relationship between Techsharthi and the College to enhance students' practical knowledge, industry exposure, and employability skills.

3. Scope of Collaboration

3.1 Workshops / Training Sessions

Techsharthi may conduct workshops, seminars, or training sessions for students of the College from time to time.
These sessions will focus on technical domains such as Cloud Computing, AI/ML, DevOps, and Software Development.
Techsharthi shall not directly promote or sell any of its paid courses or products during these sessions.

3.2 Internship Programs

- Techsharthi may offer internship programs of varying durations, including but not limited to 28 days (4 weeks), for students of the College.
- The internship programs will be designed to provide hands-on training, real-world exposure, and project-based learning.

18-04-26

Scanned with OKEN Scanner

- Program structure, duration, and pricing will be determined by Techsharthi, ensuring affordability for students.
- Participation in such internship programs will be optional for students.

3.3 Placement Opportunities

Techsharthi may assist students by providing placement opportunities, including:

- Job referrals
- Interview preparation
- Industry exposure and connections
- Placement support will be based on student performance, skill level, and available opportunities.

4. Roles and Responsibilities

4.1 Techsharthi Responsibilities

- Design and deliver training and internship programs.
- Provide qualified trainers and mentors.
- Ensure quality content aligned with industry standards.
- Facilitate placement support where possible.

4.2 College Responsibilities

- Provide necessary infrastructure such as classrooms, labs, and equipment.
- Ensure student participation and coordination.
- Support scheduling and communication.

5. Data Privacy and Protection

Techsharthi agrees that any student data (including personal, academic, or contact details) shared by the College shall be used strictly for purposes related to training, internships, and placement support under this MoU.
Techsharthi shall not misuse, sell, share, or distribute student data to any third party without prior written consent from the College.
Both parties shall ensure compliance with applicable data protection and privacy standards.

6. Official Training Partner Recognition

The College may recognize Techsharthi as an "Official Training and Internship Partner" for conducting workshops, training sessions, and internship programs under this MoU.
This recognition shall be valid for the duration of the MoU unless terminated earlier.
Both parties may mutually agree to use each other's name and logo for promotional purposes related to this collaboration.
The College shall extend reasonable cooperation and support to ensure the successful execution and visibility of programs conducted by Techsharthi under this partnership.

8. Duration of MoU

This MoU shall be valid for a period of 3 years from the date of signing and may be extended upon mutual agreement.

9. Termination

Either party may terminate this MoU by providing 30 days' written notice.
Any ongoing activities shall be completed or mutually concluded.

10. Confidentiality

Both parties agree to maintain confidentiality of any sensitive information shared during the collaboration.

11. Nature of Agreement

This MoU reflects a mutual understanding and does not create legally binding obligations unless explicitly stated.
